16 SIRHAN BISHARA SIRHAN,

17 Defendant.

NO. A 233, 421

POINTS AND AUTHORITIES
AND DECLARATION

18 RUSSELL E. PARSONS declares and states:

19 STATEMENT OF THE FACTS

20 The defendant here is charged with murder and other offenses
21 involving the shooting of Senator Robert F. Kennedy at the Ambassa-
22 dor Hotel about midnight between June 4, 1968 and June 5, 1968. The
23 defendant, Sirhan B. Sirhan, is alleged to have shot Senator Robert
24 F. Kennedy. It is claimed by several witnesses that they were pre-
25 sent, saw and heard a shot and Senator Kennedy was immediately exam-
26 ined by many people. Sirhan B. Sirhan was seized upon the spot,
27 was immediately taken by officers to Rampart jail and to other jails
28 and was questioned by police officers throughout the balance of the
29 night at various places. At times there were two or three police
30 officers present, at times there were Deputy District Attorneys
31 present, and recordings were taken of these conversations. He was
32 examined by doctors and at one instance there was a reporter to take
a statement and possible recordings. We have asked for these

1
2 statements, we have been permitted to take depositions of some of
3 the officers, we have seen photostatic copies of some of the docu-
4 ments that were seized by the police officers without benefit of
5 a Search Warrant at the defendant's mother's home in Pasadena, Cali-
6 fornia, which is a minimum of some twelve miles from the Ambassador
7 Hotel in Los Angeles.

8 We do not know what was said in the statements hereinabove
9 referred to, neither is the defendant able to give us the names
10 of all the persons present, nor does he recall exactly what was
11 said; and it is necessary for the proper preparation of the defense
12 in this case that we have access to all of the documents hereinabove
13 referred to, the names of the persons hereinabove referred to so that
14 we might examine such statements, transcripts, reports, films, re-
15 cordings, tapes, and that we might have the names and addresses of
16 the persons hereinabove referred to which we do not have.

17 Declarant has employed two licensed investigators licensed
18 by the State of California, namely Michael A. McCowan and Ronald
19 Allen, and has sent them into the field and in most instances they
20 have been informed by possible witnesses in substances that they
21 could not talk with us, they did not let us see even hospital re-
22 ports and in each instance the investigators tell me that they were
23 advised by such persons that representatives of the District Attor-
24 ney of Los Angeles County had been there, and/or agents of the Fed-
25 eral Bureau of Investigation, who had shown credentials and in ef-
26 fact stated they did not have to talk and were not allowed to talk
27 to these representatives of mine because they were admonished by
28 the officers that they should not talk to anyone. In one instance,
29 our representatives went back to such people and those people were
30 advised, communicated with the District Attorney's office and stated
31 that they thought this was in substance unfair and since that time
32 some of them have talked with us and have given us consideration and
cooperation. Others have told my agents that if they were authorized

1
2 by the court to speak to us, they would do so. In substance, I
3 state from my conversations with the District Attorney's office
4 that in order for us to get what is hereinabove asked for, it would
5 be better for us to seek an order of court and this procedure was
6 suggested to us by one of the Deputy District Attorneys working
7 on the case.

8 That in the opinion of declarant, after years of experience
9 in this field, such information should be given to us as we seek
10 here, or it will amount to a denial of due process. As the court
11 said in Walker vs. Superior Court, 155 CAL 2d 134 141,

12 "The state in its might and power ought to be and is too
13 jealous of according a defendant a fair and impartial trial, to
14 hinder him in intelligently preparing his defense and availing him
15 of all competent material and relevant evidence that tends to turn
16 light on the subject matter on trial."

17 Powell vs. Superior Court, 48 CAL 2d 704 709,

18 "Since People vs. Riser (1956) 47 CAL 2d 566-585, 305 PA
19 2d 1, the courts of California have been exceedingly jealous of the
20 right of a defendant to be granted the right of discovery and pro-
21 duction of evidence. The cases are now legion to that effect and
22 some are summarized in California Evidence, Within, 2nd Edition,
23 pages 966 and succeeding pages, and a fair discussion is also found
24 in Walker vs. Superior Court, 155 CAL 2d 134 317, PA 2d 130."

25 Wherefore declarant on behalf of Sirhan B. Sirhan respect-
26 fully prays for an order directing that we be given the information
27 hereinabove referred to and in the motion described. This is par-
28 ticularly true in this case of historical significance which is
29 being watched throughout the world with a view to see that justice
30 be done.

31 Under penalty of perjury I hereby state that the foregoing
32 is true and correct.
